## SDTC voted 'The Best' by Parents

It gives me immense pleasure to write about the Julius Caesar Show put up by the students and team of Strengths at the Sri Ram Auditorium. I was given the opportunity of interviewing the parents both before and after the show on behalf of the Strengths Media Team. I was nervous as I had never faced the camera before, but once I started with the interviews, the positive reviews of the parents kept me going for 5 days. I must have taken over 700 interviews and to my amazement each and every parent was very satisfied with the SDTC. The overwhelming response infused more and more energy in me and made my work more interesting and enjoyable. Proud and excited parents expressed their contentment by talking about the life altering changes like confidence and attitude in abundance, speech clarity, excellent concentration power, over all personality development, shyness and hesitation wipe out and a lot more, that have been brought in their children. With smiles on their faces and glee in their eyes parents left describing the course as 'The Best', 'A Must', 'Wow' and 'Excellent'

My heartiest congratulations to Mr. Sanjeev Datta for such a great achievement and a warm Thank you for bringing out the best in me.

**INTERVIEWING** is a skill which involves gaining information by asking questions on a one to one basis and I was thrilled at the idea of me interviewing parents at Sri Ram auditorium during the show. I sincerely thank Mr.Sanjeev Datta for providing me with such an opportunity. While interviewing the parents I noticed that it was not only me who was afraid of the camera but also the parents.

The reviews that parents gave were outstanding and included words like 'wow', 'a must', 'awakens the potential'. The changes that parents noticed after undergoing the Sanjeev Datta Theatre Course were reduced shyness, boosted confidence, improved concentration level and an inclination towards performance theatre. The parents were even told about the upcoming show at Kamani Auditorium which made them even more excited. These comments encouraged me to take more and more interviews. I was also provided with the task of taking after show interviews and I could see the happiness on the parent's faces. The feeling was beyond words.

At last I can say that taking interviews gave me a lot of exposure as the task required me to be SPONTANEOUS. by VIRAM DATTA

# JULIUS CAESAR: A play by William Shakespeare

Performed by Strengths Students at Shriram Auditorium, Mandi House. 11th-15th April 2011

## Julius Caesar Characters with Famous lines

**CASSIUS**

"Is Rome all about One man"

**JULIUS CAESAR**

"Cowards die many a times"

**MARK ANTONY**

"Friends, Romans, Country men"

**CALPURNIA**

"Oh lord! Oh mighty Caesar"

**BRUTUS**

"But I love Rome more"

## Historical facts about Rome

**Caesar: General, Politician, Statesman**

Julius Caesar was born in Rome on 13 July 100 BC. Julius Caesar is no doubt the most famous Roman of them all! He conquered Gaul in a brilliant campaign which is still used in studies for training generals today. So famous and respected was Caesar that a month of the year is still named after him and his heirs today, July (after Julius Caesar).

### Augustus:

**The first Emperor**

Augustus was the first emperor of Rome. His real name was Octavian but he was given the name 'Augustus' by the senate as an honor for his great achievements. He avenged the death of Caesar together with Mark Antony.

**Justinian: The last 'Great' Emperor**

Justinian, known to have collected many Roman laws and created a unified code of laws, the so-called 'Justinian Code'.

The **history of Rome** spans 2,800 years of the existence of a city that grew from a small Italian village in the 9th century BC into the center of a vast civilization. The Romans derived much of their culture from the Greeks: art, architecture, philosophy, and even religion.

## Roman Army

The Roman Army was extremely important in explaining the success of the Romans and the expansion of the Roman Empire. The Roman Army, at the peak of its power, conquered what we now call England/Wales, Spain, France, most of Germany, the northern coast of Africa, the Middle East and Greece.

## Roman Architecture

One of the things the Romans are most famous for is their architecture. The Romans brought a lot of new ideas to architecture, of which the three most important are the arch, the baked brick, and the use of cement and concrete.

## Colosseum

The Colosseum, is an elliptical amphitheatre in the centre of the city of Rome, Italy, the largest ever built in the Roman Empire. It is considered one of the greatest works of Roman architecture. Capable of seating 50,000 spectators, the Colosseum was used for gladiatorial contests and public spectacles such as mock sea battles, animal hunts, executions, re-enactments of famous battles, and dramas based on Classical mythology. The building ceased to be used for entertainment in the early medieval era.

## COMMENTS!

It was absolutely enthralling to see all my students perform so well in the Julius Caesar show at the Shri Ram Auditorium. They all looked magnificent.

In order to bring out the hidden talent & untapped potential of the children, the show was planned in a very technical manner. To develop & showcase their confidence & abilities, each child was given the opportunity to be all alone on such a huge platform for stage compering, self introduction, confident character walk and center stage individual monologue performance. Every child held stage for more than 20 minutes and received the sword of honor certificate as a token of appreciation. Their exuberance to perform showed us that given the right training, methodology & opportunity, today's child can face all kinds of challenges. I was delighted to see more than 100 transformations wherein students who were unable to speak during the JC Introduction PPT class presentation (4 months back) performed beautifully at the Shri Ram auditorium.

I would like to thank the entire STRENGTHS TEAM for working tirelessly for 5 days to ensure a flawless show. All of you created some life long memories for the participating children.

In the end, congratulations to all students & a final thank you to all the grandparents, uncles, aunts, friends & parents for being a superb audience & encouraging & appreciating each child's effort. Your encouraging & kind words during the show will motivate us to bring out the best in our students.

With love to all students & best regards,  
God bless

Sanjeev Datta
